CERTIFICATE UNDER 37 C.F.R. 1.8

I hereby certify that this correspondence is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an enveloped addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231 on this 8th day of May, 2002

Carolyn T. Erickson

Sir:

Applicant filed the application covered by the caption indicated above on January 23, 2002. The signature of the inventor was, however, missing on the DECLARATION. In response to the filing, the United States Patent and Trademark Office issued a NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION document. That paper documented the fact that the filing date was

granted for the application. Further, however, it documented a requirement that a properly signed Oath or Declaration identifying the application by Application Number and Filing Date be submitted. That paper also required that a surcharge in the amount of \$130 be submitted.

The NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION also documented that the application was informal since it did not comply with the regulations because the drawing sheets did not have the appropriate margins and the drawings needed to be free from erasures, alterations, etc. Substitute drawings in compliance with 37 CFR § 1.84 were required.

In response to the document issued by the United States Patent and Trademark Office, Applicant hereby takes action to comply with the requirements imposed. Please find transmitted herewith an executed COMBINED DECLARATION/POWER OF ATTORNEY FOR PATENT APPLICATION, substitute formal drawings in compliance with 37 CFR § 1.84 having the appropriate margins, and a check in the amount of \$130.00.

The period for response was set to expire two months from the date of that paper. The unextended deadline for responding is, therefore, May 11, 2002.

In view of the action taken herein, Applicant would submit that the requirements imposed by the NOTICE TO FILE MISSING PARTS

OF NONPROVISIONAL APPLICATION paper have been complied with. It is, therefore, requested that the application be passed for examination.

Respectfully submitted,

Jennifer L. Pavlovic
